Specially written for the benefit of students who are teaching themselves. No previous knowledge of the organ is needed as the course starts at the very beginning and progresses right up to professional standard. In Book 5 learn the foundations of a good 4-in-a-bar jazz style, beguine rhythm and slow rock. Songs include Arrivederci Roma, As Time Goes By and Honeysuckle Rose.

though 5. Baker has several different books under similar title "The Complete Organ Player" and they easily confuse the neophyte. Some are Song Books, Bakers songbooks look like his instruction books but they are very different in purpose and content.

The Complete Organ Player - Book One: Amazon.com: Books

The Complete Organ Player series has received a few mentions lately, and seems highly recommended for new players or for those restarting after many years. I played a little when I was young, and bought an EL500 last summer, when I happened to see just how cheap they are now. Anyway the discussion has inspired me to find the books and have a go.

Kenneth Baker Books | List of books by author Kenneth Baker

I have gone through the first five books of The Complete Piano Player, with the guidance of a teacher. This organ course is similar - everything appears to be there and it is not hard to understand. I think you still would need the help of someone who has learned a piano or organ from time to time though. I like all the songs in it too.
