Book description. The founding of a constitutional court is often an indication of a chosen path of constitutionalism and democracy. It is no coincidence that most of the constitutional courts in East and Southeast Asia were established at the same time as the transition of the countries concerned from authoritarianism to liberal constitutional democracy.

The Constitutional Court of the Kingdom of Thailand is an independent Thai court created by the 1997 Constitution with jurisdiction over the constitutionality of parliamentary acts, royal decrees, draft legislation, as well as the appointment and removal of public officials and issues regarding political parties. The current court is part of the judicial branch of the Thai national government. The court, along with the 1997 Constitution, was dissolved and replaced by a Constitutional Tribunal in

Constitutional Courts in New Democracies: Understanding Variation in East Asia. Tom Ginsburg Abstract. The article shows how judicial review has expanded around the globe from the United States, Western Europe, and Japan to become a regular feature of constitutional design in Africa and Asia. Although the formal power to exercise judicial review is now nearly universal in democratic states, courts have varied in the extent to which they are willing to exercise this power in practice.
