I own several books from Oxford's Very Short Introduction Series and Thomas Pink's FREE WILL is another good one. This book serves as a fine primer. In a little more than one-hundred pages the major thinking from ancient to modern times is presented.

### Free Will: A Very Short Introduction: Pink, Thomas ...

The study of Introduction was gradually limited to an investigation of the origin, the composition, the history, and the significance of the Bible as a whole (General Introduction), or of its separate books (Special Introduction). But as a designation of this discipline the name . Introduction. did not meet with general approval. It was pointed ...

### Introduction to the New Testament - NTSLibrary

The purpose of a good introduction is to engage the reader and get them to read the book. Just because someone is reading an introduction does not mean they are going to finish the book. The thing that scares people off of books is not the price—it's the commitment of time.

Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change.

### **OpenStax**

The book introduction is written by the author and is entirely about the content of the book - what the reader can expect to find and what's important for them to know. This is a chance for the author to tell the reader anything they'll need to know in order to fully understand or appreciate the book.

### **What is a Book Introduction ? - DiggyPOD Blog**

Some books eschew an introduction and kick straight into Chapter 1 - in which case the structure above would need to be executed in Chapter 1. For a book that already has an introduction - the introduction would have indicated 'How we're going to deliver on this promise we've made to you'.
