Modern Drama is essentially a drama of ideas rather than action. The stage is used by dramatists to give expression to certain ideas which they want to spread in society. Modern Drama dealing with the problems of life has become far more intelligent than ever it was in the history of drama before the present age.

Modern English Drama Characteristics | English Summary

Tragedy and modern drama Tragic themes in Ibsen, Strindberg, and Chekhov. The movement toward naturalism in fiction in the latter decades of the 19th century did much to purge both the novel and the drama of the sentimentality and evasiveness that had so long emasculated them. In Norway Henrik Ibsen incorporated in his plays the smug and narrow ambitiousness of his society.

Tragedy - Tragedy and modern drama | Britannica

Drama is the specific mode of fiction represented in performance: a play, opera, mime, ballet, etc., performed in a theatre, or on radio or television. Considered as a genre of poetry in general, the dramatic mode has been contrasted with the epic and the lyrical modes ever since Aristotle's Poetics —the earliest work of dramatic theory. The term "drama" comes from a Greek word meaning "action", which is derived from "I do". The two masks associated with drama represent the traditional ...
